Dear Director:

Application is hereby made for the approval of the high school diploma course offered by this high school for the education and training of veterans/veterans eligible persons under the provisions of section 3675(a)(1), Chapter 36, Title 38, (U.S.C.), Veterans' Benefits.

As a condition to the approval, it is understood and agreed that adequate records will be kept by the school district to show the progress of each veteran's eligible person enrolled under the law. The school district will also maintain a written record of the previous education and training of each veteran's eligible person enrolled and will give appropriate credit for such previous education and training so that the education period may be shortened proportionately.

Sincerely,
